

Please Read Carefully Important Information for Demonstration Participants

Thank you for your participation in Horse World Expo! We appreciate your business and look forward to working with you and your organization. The following information concerns your organization's participation in horse related activities during Horse World Expo. These guidelines have been developed to enhance your Expo experience before and during the event and to help ensure the safety of your horses, riders and the general public. This packet includes specific information about each type of activity and requirements for those activities. **Please refer to the enclosed "Horse Paperwork Check Lists" (page 6) to ensure that you submit all required paperwork for your activity.**

ALL horses being presented at Horse World Expo MUST be in good health and properly turned out for a positive image in a large public event. Horses should be clean and well groomed, riders should be properly attired for their demonstration as if at a horse show or other competition. Horses should be schooled to a level where they will be safe to ride in a large, noisy, indoor environment and present a positive image for both your organization and for the Expo. Riders should be skilled enough to control their mounts without force and exhibit harmony between horse and rider. **Any rider deemed to be insufficiently skilled or horses deemed unsafe, unsound or unfit for public exhibition may be asked to leave the arena by Expo staff, no refunds of any fees paid will be issued.**

1. **The Parade of Breeds** will be held throughout the weekend at various times. After receipt of all requested information, each organization will be informed of the exact time for their demonstration. Please be sure to indicate the amount of time you would like for your demonstration; please try to keep it to 5-10 minutes, but no more than 15 minutes. Please indicate which day(s) your group will be available for performing. Please be aware that due to the large number of participants in the Parade of Breeds, it is possible that each breed may not be able to perform each day. All requests will be handled on a first come first served basis. While we will do our best to honor all time and day requests, we are unable to guarantee that we will be able to accommodate all requests.

Please remember that Parade of Breeds is an educational demonstration highlighting your breed. It should not be used for commercial purposes such as stallion promotions, sales, farm promotion etc. There will be one representative designated for each breed handling the Parade of Breed Demonstrations. Should there be more than one group representing a breed, Equestrian Promotions will designate which group will be responsible for organizing the demo. This representative will be responsible for organizing all Parade of Breed Demo activities for that breed. **It is the representative organization's duty to assign a point of contact to organize the activities, assist members in getting information and answers to questions, organize stall and health papers and be the point of contact between the group and Equestrian Promotions.**

This is a time to put politics aside and promote your breed in its best light. Please do not exclude qualified horses and riders because they do not belong to your club or group. If you are a stallion owner and would like to participate in Parade of Breeds, please indicate this on the included Demonstration Agreement and we will put you in touch with the designated organization for your breed; if no other organizations will be attending with your breed, you will be designated as the breed contact for the event.

2. **The Stallion Avenue Demonstration** will be held each day and an order of appearance will be sent when all plans have been finalized. You should plan for 2-3 minutes per Stallion Avenue stall for the demonstration. Only stallions exhibiting on Stallion Avenue or belonging to a vendor purchasing a retail booth at the Expo may participate in the Stallion Avenue Demonstration. Stallions may also participate in Parade of Breeds. If you wish to participate with your stallion see info in Item 1 above for more info.

3. **Other Demonstration** – if you have been selected to participate in another demonstration or clinic and are bringing a horse, please list the specific demonstration in which you will be participating. This information should include the clinician name if applicable, the title of the demonstration and the date and time of the demonstration.

In order to participate in Parade of Breeds or Stallion Avenue or Other demonstrations, the attached Demonstration Agreement must be completed in its entirety and received in our office at least **45 days prior** to the start of the event.

 - b. Stall fees must be remitted with your completed Stall Reservation Form. There is an exception for some clinicians and stallion owner and Breed Row participants; please see items "c" and "d" below.
 - c. The stall fee may be waived for some clinicians. If this is the case, it will be listed in your individual Speaker Contract which you signed earlier.

2. You may bring your own **STRAW** to the show or you may pre-order straw on the attached Stall Reservation Form. If you are purchasing straw you should do so in advance via the Stall Reservation Form. The cost of straw is \$8.00 per bale if pre-ordered and \$10.00 per bale if purchased at the show. 7. Although we try to keep all groups together when making stall assignments, we are unable to guarantee that all group horses will be stabled together.
8. While the stall areas are heated, please be aware that doors are frequently opened and closed and there may be areas of the facility where temperatures will fluctuate. The average temperatures will be in the low 50s indoors, however, if your stall is near a door, it may be closer to outdoor temperatures. Please plan accordingly.
